CHARGING & RECHARGING

Getting Started

The Ultimate Mini Power Bank will arrive with a partial charge. It is recommended to charge the battery to 100% before use.

Recharging the Power Bank

Use one of the following methods to recharge the Ultimate Mini Power Bank:

- Plug the Type-C end of the included 36" USB Cable into the Type-C Port and plug the opposite end into a USB power source (not included).
- Extend the AC Plug and connect to a wall outlet.

The Indicator Lights will flash, and then just the current Indicator Light that's charging will blink while the other Indicator Lights will be solid.

Note: The first Indicator Light will turn solid green when connected to a fast charging device. ●○○○

Using the Power Bank

Select your compatible charging method from the options below and connect the Ultimate Mini Power Bank to a device. The device will begin to charge.
