ChargeHub® Retract 4k

Wall Charger with Retractable Type-C Cable & 4,000mAh Power Bank

Quick Start Guide

WHAT'S INCLUDED

- (1) ChargeHub Retract 4k Wall Charger with Retractable Type-C Cable & 4,000mAh Power Bank
- (1) Type-C to Lightning® Adapter
- (1) Type-C to Micro Adapter

TECH SPECS

Model: LIM-4KCHRTRCT-XXXX

Battery Capacity: 4,000mAh | 14.8 Wh

AC Input: 110-240V | 50-60Hz | 0.5A

USB-A (Output): 5V/3A | 15W

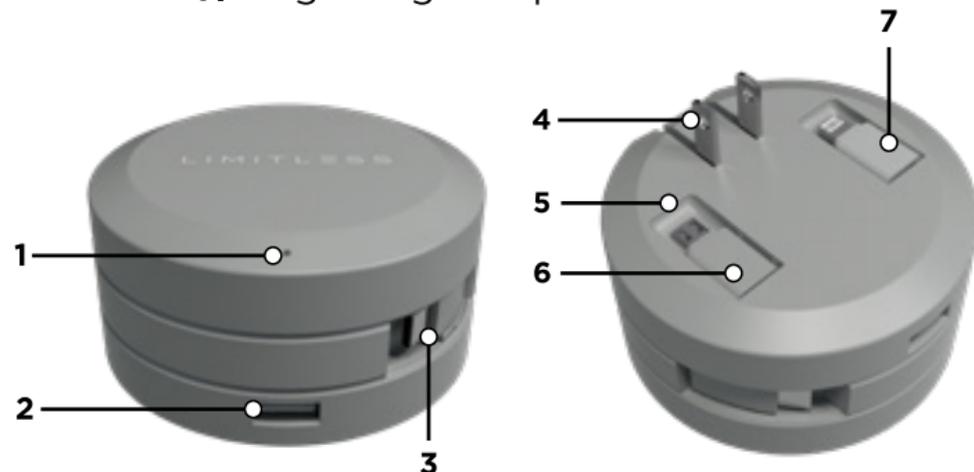

Retractable Type-C Cable: 36"

Dimensions: 3.23" x 3.23" x 1.69"

Weight: 7.3oz (0.456lb)

COMPONENTS

1. Power Indicator Light
2. USB-A Port (Output)
3. 36" Retractable Type-C Cable
4. Foldable AC Plug
5. Adapter Slots
6. Micro Adapter
7. Lightning® Adapter

USING THE DEVICE

Extending / Retracting the Type-C Cable

Extend the cable and connect the Type-C end to a compatible device. The device will begin to charge. When not in use, ensure the cable is fully retracted to prevent damage or tangling.

Note: Do not overextend the cable. Doing so may damage the ChargeHub® Retract 4k.

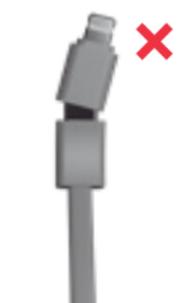

Using the Adapters

Select the Adapter compatible with the device and connect it to the Type-C end of the retractable cable. A click will sound when the Adapter is connected correctly.

Figure 1 (Correct)

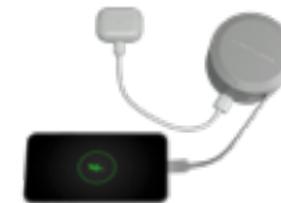

Figure 2 (Incorrect)

Using the USB Port

Select a compatible USB charging cable and connect it to the USB Port. Connect the other end to a device. A white Power Indicator Light will illuminate. The device will begin to charge.

Note: You can charge multiple devices simultaneously.

Recharging the Power Bank

Extend the AC Plug and connect to a wall outlet. The white Power Indicator Light will flash. Once the battery is fully charged, the Indicator Light will become solid. When the battery is low, the Indicator Light will not illuminate.

Note: If the Power Indicator Light does not flash when plugged in, check the wall outlet and ensure it is receiving power.

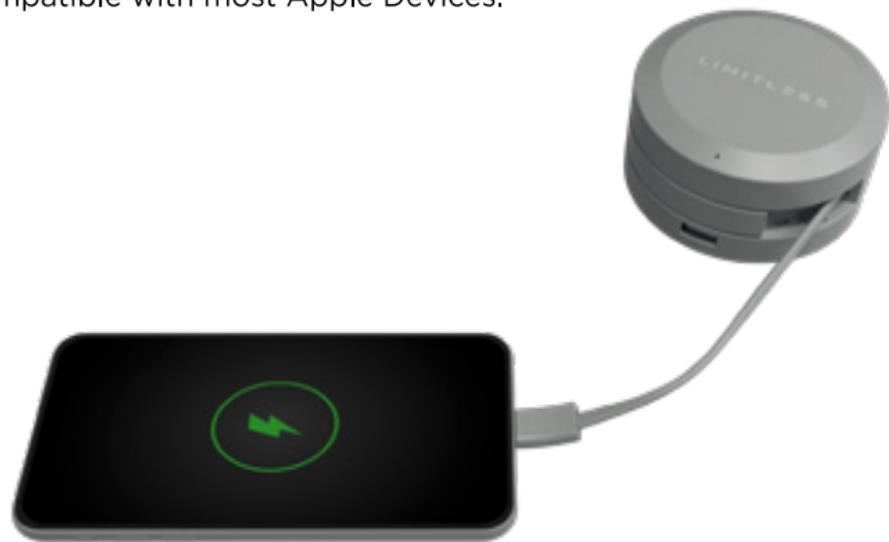

COMPATIBILITY

Built-In Type-C Cable

Compatible with most new Samsung, Google, Motorola, Microsoft, LG, and Apple iPads 2018 and newer.

Built-In Lightning Cable

Compatible with most Apple Devices.

SAFETY INFORMATION

By using the Limitless ChargeHub Retractable 4k Wall Charger with Retractable Type-C Cable & 4,000mAh Power Bank ("ChargeHub Retractable 4k"), you hereby agree that Limitless Innovations, Inc., an Illinois corporation and its affiliates ("Limitless") shall have no liability for any losses associated with property damage, personal injury or loss of life that are incurred by you or by any third party in connection with or relating in any manner whatsoever to your use of the ChargeHub Retractable 4k. By using the ChargeHub Retractable 4k, you hereby agree at all times to comply fully with all safety warnings, operating instructions, and general safety information in this user manual. By using the ChargeHub Retractable 4k, you further agree to hold harmless Limitless, (and Limitless' officers, directors, shareholders and employees) in connection with any losses sustained by you (including, without limitation, losses arising in whole or in part from property damage, personal injury or loss of life) relating in any manner whatsoever to your use of the ChargeHub Retractable 4k.

WARNINGS

- The ChargeHub Retractable 4k is **NOT** a toy and should be kept away from children.
- Do **NOT** use the ChargeHub Retractable 4k near a magnetic or electric field.
- Do **NOT** use the ChargeHub Retractable 4k if it has been damaged and/or modified.
- Do **NOT** submerge the ChargeHub Retractable 4k or its accessories in water.
- Do **NOT** insert any foreign objects into the USB output port or joining terminals of the device. Short circuits may present risks of excessive heat, fire or explosion.
- Be cautious of drops, bumps, abrasions, or other impacts to the ChargeHub Retractable 4k. If there is any damage to the device such as dents, punctures, tears, deformities, or corrosion due to any cause, discontinue use. Contact Limitless Innovations or dispose of it in accordance to state and local guidelines.
- Do **NOT** attempt to charge the ChargeHub Retractable 4k using any method, apparatus, or connection other than the device's AC Plugs.
- Do **NOT** attempt to disassemble, repair, or open the ChargeHub Retractable 4k or its accessories in any way.
- Do **NOT** subject the ChargeHub Retractable 4k to harsh chemicals.
- When charging a device, the ChargeHub Retractable 4k may feel warm, this is a normal operating condition and should not be cause for concern.
- All products have gone through a thorough quality assurance inspection. If you find that your ChargeHub Retractable 4k is excessively hot, is emitting odor, is deformed, abraded, cut, or is experiencing or demonstrating an abnormal phenomenon, immediately stop all product use and contact Limitless Innovations.

- Do **NOT** paint or apply coatings to the ChargeHub Retractable 4k as you might affect moving parts or damage internal components.
- Batteries should be recycled or disposed of, as per state and local guidelines.
- Do **NOT** apply excessive force on the ChargeHub Retractable 4k or drop it: By doing so, it may damage the internal components of the device, and risk short circuiting the device when used.

FCC Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

WARNING: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
