

## **Frequently Asked Questions (FAQs): Key Fob S/2 3,000mAh Power Bank**

### **Q: What devices are compatible with the Limitless Key Fob Power Bank?**

**A:** The Limitless Key Fob Power Bank is designed with universal compatibility in mind. It includes built-in cables for Lightning devices (such as iPhones) and Type-C devices (compatible with the newest smartphones, speakers, power banks, and more). This makes it a versatile charging solution for a wide range of devices.

#### **Type-C Adapter**

Most new Samsung, Google, Motorola, Microsoft, LG, and Apple iPhone 15 and Newer, Apple iPads 2018 and Newer, and Apple AirPods Pro 2nd Generation, and AirPods Max.

#### **Lightning® Adapter**

Most iPhones 14 and Older, 1st Generation AirPods, and AirPods Pro.

### **Q: How do I charge the power bank?**

**A:** To recharge the Limitless Key Fob Power Bank, simply use the included 36" Type-C to USB charging cable. Connect one end to the power bank and the other end to a USB power source, such as a wall adapter or laptop.

### **Q: Can I charge multiple devices at the same time?**

**A:** Yes, but please note that if you're charging two devices at once, the battery on the power bank will drain much faster. It is recommended to charge one device at a time.

### **Q. How do I know when the power bank needs to be recharged?**

**A.** The Limitless Key Fob Power Bank is equipped with LED indicator lights that display its battery status. These lights will help you keep track of the remaining power, so you'll know when it's time to recharge.

### **Q: How portable is the Limitless Key Fob Power Bank?**

**A:** The power bank is compact and lightweight, making it easy to carry wherever you go. It can conveniently fit on your keyring, in your purse, or in your pocket, ensuring you always have a backup power source on hand.

### **Q: How long does it take to fully charge the power bank?**

**A:** The charging time can vary depending on the power source used. On average, it takes approximately 3-4 hours to fully charge the power bank using a standard USB wall adapter.

### **Q: Can I use the power bank while it's charging?**

**A:** It's recommended to charge the power bank first and then use it to charge your devices. Using it while charging may affect the charging speed and overall efficiency.

**Q: Is there a warranty?**

**A:** Yes, there is a 1-year warranty from Limitless Innovations. Refer to the included warranty card or visit our website for warranty details.
