

## Setup & Operation

1. Plug the nightlight directly into a standard AC wall outlet.
2. The dusk-to-dawn sensor will detect ambient light.
  - Lights up automatically in darkness.
  - Turns off automatically in daylight.
3. Connect your mobile devices to the USB-A or USB-C port for charging.
  - Use only one port at a time for maximum output.
  - Use certified charging cables for best results.

### Safety & Warnings

- Use only with AC 110–240V outlets.
- Do not use with extension cords, power strips, or adapters that are not properly rated.
- Do not attempt to disassemble or modify. No user-serviceable parts inside.
- Indoor use only. Do not expose to moisture, rain, or high humidity.
- Keep away from curtains, bedding, or flammable materials.
- Do not use in damp environments such as bathrooms or outdoors.
- Do not cover the nightlight while in use.
- Unplug immediately if the unit becomes unusually hot, emits smoke, or shows discoloration.
- Keep out of reach of children and pets. This is not a toy.
- Maximum USB output: USB-A 5V/2.1A; USB-C 5V/2.1A (used alone). Do not overload the USB ports.
- Use only certified charging cables and devices.
- Ensure the sensor is not obstructed for proper operation.
- Clean with a dry cloth only. Do not use solvents or immerse in liquids.
- Inspect periodically. Discontinue use if the housing or prongs are damaged.
- Misuse, exceeding ratings, or failure to follow instructions may result in fire, shock, or property damage.

## Troubleshooting

- **Light does not turn on:** Ensure the sensor is not blocked and the room is dark. Check the wall outlet.
- **Device not charging:** Confirm cable is working. Use one port at a time for full power.
- **Light flickers or overheats:** Unplug immediately and discontinue use.

## Care & Maintenance

- Wipe with a dry, soft cloth. Do not immerse in water.
- Store in a cool, dry place when not in use.
- Do not expose to extreme temperatures or direct sunlight.

### Introduction

Thank you for purchasing the Uncaged Ergonomics USB + Type-C Night Light. This compact device combines a warm nightlight with dual USB charging ports, providing convenience and safety in any room.

### Package Contents

- USB + Type-C Night Light
- User Manual
- Warranty Card

### Product Features

- **Dusk-to-Dawn Sensor:** Automatically turns on in the dark and off in daylight.
- **Dual Charging Ports:** 1 × USB-A and 1 × USB-C (each 5V/2.1A when used alone).
- **Energy Efficient:** Low power consumption (0.1W).
- **Long Life LED:** 16 SMD LEDs with up to 8,000 hours of life.
- **Warm Light:** Comfortable 2700K–3500K color temperature, 180° luminous angle.
- **Compact & Safe:** Designed with ABS housing and copper wiring for durability.

### Warranty & Limitation of Liability

#### Limited Warranty

Uncaged Ergonomics LLC ("UE") warrants this product to be free from defects in materials and workmanship under normal use for a period of one (1) year from the date of original purchase. During the warranty period, UE will, at its option, repair or replace any defective product returned with proof of purchase.

#### This warranty does not cover:

- Damage caused by misuse, abuse, accidents, or modifications;
- Normal wear and tear;
- Damage resulting from failure to follow the operating instructions or safety warnings;
- Use with non-compatible devices, power supplies, or accessories.

#### Disclaimer of Other Warranties

Except as expressly provided above, UE disclaims all other warranties, express or implied, including without limitation the implied warranties of merchantability and fitness for a particular purpose.

#### Limitation of Liability

To the maximum extent permitted by law, UE shall not be liable for any incidental, indirect, special, or consequential damages, including but not limited to property damage, loss of data, loss of profits, or personal injury, arising out of or in connection with the use or inability to use this product, even if UE has been advised of the possibility of such damages.

In no event shall UE's total liability exceed the purchase price paid for the product.

#### State Law Rights

Some states do not allow limitations on implied warranties or the exclusion of incidental or consequential damages, so the above limitations may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
