- 8 | Lightning Cable
- 9 | USB Type C Cable

# OPERATING INSTRUCTIONS

## CHARGING YOUR HALO POCKET POWER 6000

**IMPORTANT:** Before using your HALO Pocket Power 6000 for the first time, fully charge it (so that pressing the Power ON/OFF button lights all four battery indicators).

To charge your HALO Pocket Power 6000, use the supplied USB Type C cable to connect the USB Type C input on the Pocket Power 6000 to a power source with a standard USB output, such as a computer or USB wall adapter (not included).

While charging, the Battery Indicators will illuminate. When the HALO Pocket Power 6000 is fully charged, the battery indicators will display four solid lights. When fully charged, disconnect the cable.

### NOTE:

The USB Type C Input Port located on this unit is only used for charging the internal battery of the HALO POCKET POWER 6000.

## HALO POCKET POWER 6000 POWER LEVEL INDICATORS

Indicator Lights      Amount of Charge

- |         |          |
|---------|----------|
| ● ○ ○ ○ | 0%-24%   |
| ● ● ○ ○ | 25%-49%  |
| ● ● ● ○ | 50%-74%  |
| ● ● ● ● | 75%-100% |

\*Blinking light indicates recharging.  
Solid lights indicate fully charged.

## CHARGING ELECTRONIC DEVICES

Connect the cable that came with your device, or the compatible cable that came with the HALO Pocket Power 6000 to the USB Output Port. Once your HALO Pocket Power 6000 is connected to your electronic device, it will begin charging.

## USING THE ANTI-SLIP PATCH

Equipped with an anti-slip patch, the HALO POCKET POWER 6000 will stick to almost any smooth surfaced phone or phone case. The HALO POCKET POWER 6000 is intended to stick to the back of your devices for a hands free charge. To attach the HALO POCKET POWER 6000 to your device, simply fold down the flap, exposing the sticky patch, and stick it to your device. When not in use, protect the anti-slip patch from dust and dirt by closing the foldable flap. To clean the anti-slip patch, simply wipe down with a damp cloth & let dry, making it just like new.

## SPECIFICATIONS

## MADE FOR IPOD/IPHONE/IPAD

The HALO POCKET POWER 6000 is Apple certified. "Made for iPod", and "Made for iPhone," means that an electronic accessory has been designed to connect specifically to iPod, or iPhone, respectively, and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards. Please note that the use of this accessory with iPod, or iPhone may affect wireless performance. AirPlay, iPhone, iPod, iPod classic, iPod nano, iPod touch, and Retina are trademarks of Apple Inc., registered in the U.S. and other countries.

## SAFETY PRECAUTIONS

- Read all instructions before using the product.
- Keep your power bank dry and away from moisture and corrosive materials. The power bank should not be used near water or wet areas such as bathtubs, showers, bathrooms, sinks, swimming pools or basements.
- Do not clean your power bank with harsh chemicals, soaps or detergents. Just wipe the case with a soft cloth.
- Keep your power bank away from heat sources, including open flames, radiators, stoves, ovens, and any other devices that produce heat.
- Do not puncture, crush or subject to mechanical shock.
- Do not attempt to disassemble.
- Make sure the power bank's charging ports do not become contaminated with lint or other debris. Use a canned-air type of product periodically to ensure that the port openings are clear.
- Recharge your power bank once every three months when not in use.

## COMPLIANCE WITH FCC REGULATION

This device complies with part 15 of the FCC Rules and RSS-Gen of IC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to

which the receiver is connected.

- Consult the dealer or an experienced technician for help.

**CAUTION:** To comply with the limits of the Class B digital device, pursuant to Part 15 of the FCC Rules, this device must be used with certified peripherals and shielded cables. All peripherals must be shielded and grounded. Operation with non-certified peripherals or non-shielded cables may result in interference to radio or reception.

## LIMITED WARRANTY

HALO2CLOUD LLC. (HALO) warrants its products to be free from defects in material and workmanship under normal use. Conditions are as follows:

- During the first 90 days from date of purchase, HALO will repair or replace the defective product.
- HALO will, subject to inspection, repair the defective product or replace it with a new or reconditioned unit. The return must be accompanied by a Return Merchandise Authorization (RMA) number to be issued upon request, and must be shipped prepaid.
- Where applicable, all requests for warranty returns must be accompanied by a proof of purchase.
- The warranty does not extend to the electronic equipment that is used, or incorporates with any of our products and accessories. HALO shall not be held responsible for the improper use of its products.
- In no event shall HALO be liable for any incidental, special, consequential or punitive damages arising out of the use of HALO's products.

For all questions or exchange requests, please call 888-907-6274, or email us at [support@BestHALO.com](mailto:support@BestHALO.com).

This Limited Warranty sets forth the full scope of HALO's obligations and liabilities with respect to the product. All implied warranties, including without limitation the implied warranties of merchantability and fitness for a particular purpose, are limited to the duration of this Limited Warranty. In no event shall HALO be liable for any incidental, special, consequential or punitive damages or any damages or losses of or to electronic equipment or products that are used with any of HALO's products.
