iBT100 LED CANDLE SPEAKER Portable Bluetooth Candle Speaker

The iHome iBT100 LED Candle Speaker features a flameless candle that simulates a real candle flicker to create charming ambient lighting. Set the mood with solid color or flicker modes, and choose from high and low brightness levels.

Connect any Bluetooth device to the built-in Bluetooth speaker, and wirelessly stream your favorite audio content from up to 100 feet. The built-in rechargeable battery provides up to 20 hours of audio playback on a single charge (USB-C charging cable included). The stylish design makes a great addition to any home décor.
