

BEFORE OPENING YOUR UMBRELLA

Before pressing the Silver Auto Open button, be sure the panels of the umbrella are not stuck together. Please shake the umbrella to ensure the ribs of the umbrella do not open inverted.

IF UMBRELLA OPENS INVERTED

It's O.K. Your Umbrella is NOT Broken. With umbrella facing away from you, Press the Silver Auto Open Button to Close. **COMPRESS THE UMBRELLA TO FULLY CLOSE IT.** Press the silver auto open button again to Open. Your Umbrella Should now Open Correctly. If not repeat the Open/Close process to correct.
