

DELUXE HEAVY DUTY TREE BAG

Included Items

Tree Bag
4 Branch Tie Straps

1. Disassemble Tree
2. Use branch tie straps (included) to hold branches in closed position. (See diagram "A") This will make setup the following year easier.

Diagram "A"

3. Open Tree Bag
4. Place tree sections in bottom of tree bag (See diagram "B")

Diagram "B"

5. Close tree bag using top straps (See diagram "C")
6. Zip bag closed
7. Tighten top straps (from step #5)
8. Close and tighten side straps (See diagram "C")

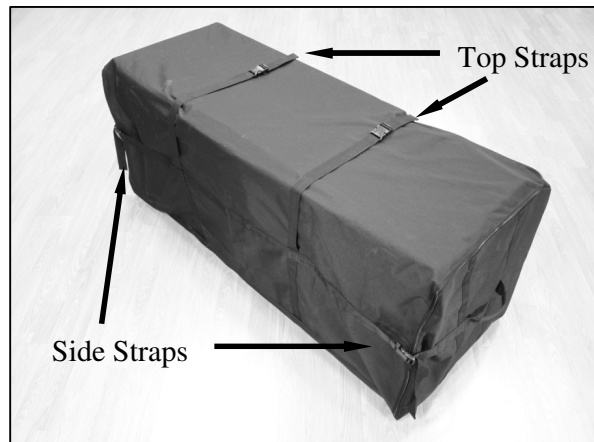

Diagram "C"

Helpful setup tip:

Place tree in tree stand and assemble sections before releasing branch tie straps.
