

**DEAR CUSTOMER,**

Congratulations on your purchase of a *Candle Impressions*® product. Our products will help to enhance the beauty of your home and provide many years of enjoyment. *Candle Impressions*® offers a wide selection of lighting products of the highest professional quality.

**BATTERY INSTALLATION**

1. To open battery compartment, turn the candle upside down, push clip inward and pull up.
2. Insert 2 "AA" type 1.5V Alkaline batteries (not included) into battery compartment in the proper polarity as indicated on the bottom of the candle.
3. Close battery compartment door.

**ON/OFF MODE**

1. Slide the switch to the "ON" position to turn candle on.
2. Slide the switch to the "OFF" position to turn candle off.

**TIMER MODE**

1. Slide the switch to the "TIMER" position to activate the timer and turn the candle on. The candle will automatically turn off after 5 hours.
2. The following day, if the switch settings have not been modified, the candle will automatically turn on again at the same time and will automatically turn off after 5 hours.
3. To change the start time, slide the switch to the "OFF" position and then back to the "TIMER" position at the new desired start time.

Front

**CAUTION**

- This product is a flameless candle. To avoid fire hazard, do not light the wick.
- This flameless candle is made of real wax. Do not place near any heat source that could cause wax to soften or melt.
- Place the flameless candle on a protective base to avoid wax or oil deposits.
- This is not a toy. For decorative use only.
- Failure to insert batteries in the correct polarity, as indicated in the battery compartment, may shorten the battery life or may cause batteries to leak.
- Do not mix old and new batteries.
- Do not mix Alkaline, Standard (Carbon-Zinc) or Rechargeable (Nickel Cadmium) or (Nickel Metal Hydride) batteries.
- Remove batteries if exhausted or if the product is to be left unused for a long period of time.
- Do not dispose of batteries in fire.
- Keep batteries away from children. If swallowed, consult a physician immediately.
- Batteries should be recycled or disposed of as per manufacturer's recommendations.
- To clean your candle, use a soft dry cloth.

**Please note:** The color intensity and shade may vary from candle to candle. Due to various environmental factors the wax color may change or fade over time.
