CONFORMS TO UL STD. 283/CERTIFIED TO CSA STD. C22.2 NO.64

INSTALLATION & OPERATING INSTRUCTIONS:

1. Remove all packaging before use.
2. Remove the lower cover of the ScentWorx unit.

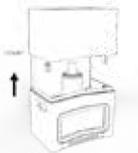

3. Holding the Refillable fragrance bottle upright remove the bottle cap.

4. Keeping the bottle upright, insert it into the lower cover of the ScentWorx unit.

5. Install the lower cover with the bottle in place onto the upper cover of the ScentWorx unit, make sure the slide on the upper cover can align with the slots on the lower cover. When the covers snap into place and you hear a “Click” the unit is ready for use.

6. Plug into a standard, functioning 120V AC electrical outlet.
7. Always insert the ScentWorx unit upright into outlets. Do not use sideways or upside down, as oil will spill. If necessary, you can rotate plug blades so that unit can be installed upright.
8. Make sure nothing is within 12” above the ScentWorx unit.
9. Enjoy fragrance throughout the room. Note: Usage rates of fragrances may vary.
10. When replacing the fragrance refillable, unplug unit from outlet carefully and allow unit to cool before replacing with a new HomeWorx Refillable. Holding unit upright, pull down gently until the lower cover releases from the upper cover. Dispose of empty bottle properly. Replace with a new HomeWorx Refillable.

NOTE: It is intended that the wick is in contact with cap. It is normal to see some degree of edge break on the wick. This doesn't impact performance and refills showing some clipping of the wick are acceptable for use.

CLEANING & STORAGE INSTRUCTIONS:

1. With use, fragrance may collect on the unit. To clean, unplug the unit from outlet and wipe with a dry cloth. Do not immerse in water. Wash hands after cleaning.
2. Store unused fragrance refills upright to prevent leaking or spilling. If you choose to remove refill from unit before empty, recap and wipe off any residual oil and store in upright position. Wash hands after handling.
3. Do not place fragrance bottles or caps on finished surfaces or fabric as may stain or cause damage. If oil spills, wipe up immediately. Do not pour oil down the drain.

⚠ WARNING: Risk of Electrical Shock and Fire Hazard.

This is not a toy and is not intended for use by children. For adult use only. Use only in exposed wall outlets and where unit is well ventilated and does not come in contact with bed coverings or other materials. Use only in a properly functioning 120-volt electrical outlet.
