

Van Zyverden's
LILIES MY WEDDING

Lilies are one of the truly great garden plants, and they are beloved by gardeners everywhere. Their beauty, diversity, extended season of bloom, graceful stature and overall reliable disposition reflect the fruits of hundreds of years of selective breeding. In Chinese, the word 'Lily' means 'forever in love'. The Liliaceae family is so large, varied, and complex that it is challenging to describe them in short. Lilies are deer and critter resistant. Plant them just about anywhere - borders, beds, cutting gardens, perennial gardens, pots and containers.

*Good full sun
perennial choice*

Excellent cut flower choice

*Will return
for years to come*

About This Variety: My Wedding is an oriental type lily with double crisp white flowers with pale pink edges. It is pollen free, but still scented hence why it often used for weddings. Perfect as a cut flower and especially for bridal bouquets. Can also be planted 3-4 bulbs to a 10-14" planter.

Growing Instructions: Plant in well-drained soil where they will receive 6-8 hours of sun a day. They are winter hardy and considered a strong perennial that can be left in the ground and will re-bloom year after year if the conditions are right. Lilies perform best when mulched.

Care Tip: Lilies prefer cool soil, which argues for shade at their feet from low growing companions. When cutting the flowers for bouquets, remove no more than 1/3 of the stem so sufficient leaves remain to renew the bulb for the coming year.

Exposure: Full sun to partial shade

Height: Grows 36-48" tall

Spacing: Plant 6-8" apart, 6-8" deep

Hardy in: USDA zones 3-8

Guaranteed to grow 1 year from purchase if directions are followed. Any concerns related to quality and/or counts feel free to contact us.
