# Set of 2 Decorative Outdoor Wind Spinners by Kim Gravel

FOR OUTDOOR USE

## ASSEMBLY INSTRUCTIONS

Carefully unpack all pieces. **Unscrew Part C from Part A before assembling.**

- ① Put Part A in the middle of Part B (as shown in image 1)
- ② Screw Part C into the top of Part A (as shown in image 2).
- ③ Screw Part D into bottom portion of Part A, Part E into Part D, and then Part F into Part E (as shown in image 3 – see image 4 for final assembly).

## USE AND CARE:

- Do not place near any heat source.
- Wipe product with a damp cloth if needed.
- Do not use any harsh or abrasive chemicals or cleaning solutions on this product.
- If the spinner is not spinning smoothly, slightly loosen Part A to improve its movement.
