Congratulations on the Purchase of your Patented Radius Garden Tool Set!
(This set contains one ergonomic PRO Digging Fork and Soil Scooper)
Made in China

**Ergonomic PRO Digging Fork**

- Patented “O” handle has 4x gripping surface with room for both hands
- Helps to minimize hand stress
- Stainless steel blades are welded, tempered, polished, and tested for strength
- Carbon steel shaft over-molded with poly comfort grip
- Features square-shaped "English-style" tines
- Ideal for turning & cultivating soil, moving mulch, sod, and yard debris
- Use to thin or divide perennials & vegetables

**Ergonomic Soil Scooper**

- Unique, patented design keeps wrist in a neutral position
- Ergonomic comfort grip
- Polished aluminum blades are surprisingly light and remarkably strong
- Creates more leverage with less hand stress
- Used for digging, planting, potting, and weeding; ideal for hand trimming beds or raised and container gardening
- Extra wide sharp front blade with serrated edge that cuts through roots or easily opens bagged material
- Extra-large soil scooper is great for shallow digging or scooping from the ground or soil bags
