## CARE

Use a damp cloth to clean. Do not use chemicals.

**WARNING!** Not to be used as a children's ride wagon.

## SET-UP INSTRUCTIONS

### Step 1

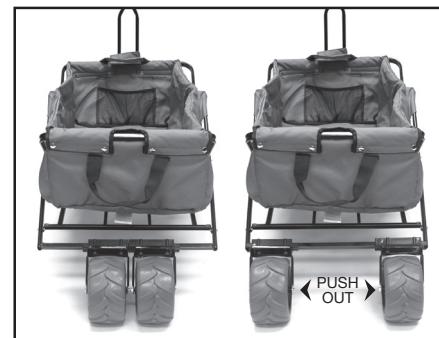

Remove wagon from travel sleeve and open hook and loop enclosure releasing the handles.

### Step 2

Spread the wagon frame open and allow it to come to a fully extended position. Use caution near moving parts to prevent pinching.

### Step 3

Spread the rear wheels fully apart to the outer frame. Use caution near moving parts to prevent pinching.

## FOLD-DOWN INSTRUCTIONS

### Step 1

Return rear wheels to center location on rear axle. Use caution near moving parts to prevent pinching.

### Step 2

Pull loop in wagon straight up while allowing front wheels to swivel 180 degrees to reverse position. Use caution near moving parts to prevent pinching.

### Step 3

With wheels aligned, close frame tightly and resecure the handles with hook and loop enclosure. Put on Travel Sleeve for travel or storage. Store in cool, dry location.
