

Shark® POWERED LIFT-AWAY™

Duster Crevice Tool
Two cleaning tools in one! The soft dusting brush is great for grabbing fine dust on hard surfaces, while the crevice tool gives you extended cleaning reach for tight spaces.

Pet Multi Tool

Two cleaning tools in one! The stiff bristle brush works on a multitude of hard and upholstered surfaces. Push the button to remove the bristles and find an upholstery tool to remove pet hair and dust from curtains and delicate fabrics.

Dust-Away™ Hard Floor Attachment

Combines straight suction for large debris pick-up with a washable, reusable microfiber pad that dusts floors, removing fine debris.

Canister Caddy

Transform your Powered Lift-Away™ into a fully powered canister, giving you the freedom to roll the vacuum pod along while keeping cleaning tools close at hand.
