3 EASY STEPS

Polish

1 Prep

Wood + Hard Floor Cleaner
Hard Floor Cleaning Pad

- Make sure floors are clean and dry.

2 Shine

Wood + Hard Floor Polish
Hard Floor Polishing Pad

- Attach Hard Floor Polishing Pad.
- Squirt polish liberally in 5'X5' sections.
- Spread polish evenly across floor.
- Allow to dry.

3 Protect

- Repolish every 2-4 months depending on traffic.

Gentle applicator

Reinforced Trim

Hard Floor Polishing Pad

Tip

After polishing, allow the Hard Floor Polish to dry for at least 1 hour before walking on the floor, and a complete 24 hours before allowing heavy traffic.

IMPORTANT: Please refer to the Owner's Guide for detailed instructions and warnings before polishing to ensure best results.

3 EASY STEPS

High Traffic Area

1

Activate

Activating Pretreater

- Spray trouble areas liberally.
- Let sit for 3-5 minutes.
- Attach Carpet Scrub 'n Stain™ Pad.
- Go over affected area with Sonic Duo™ system.

2

Clean & Brighten

Low Moisture - NoRinse- Carpet Cleaner
Carpet/Rug Cleaning Pad

- Dilute Carpet Cleaner 1:3. See Note
- Attach Carpet/Rug Cleaning Pad.
- Go over affected area with Sonic Duo™ system, spraying as needed.
- Repeat until area is cleaned.
- Allow to dry.

Note:

Dilute
Carpet Cleaner
with water 1:3

3

Rejuvenate

Vacuum

- Vacuum treated area.

Scrub 'n Stain™ Removal Pad

Carpet/Rug Cleaning Pad

2 EASY
STEPS

Stain Removal

1

Activate

Activating Pretreater

- Spray liberally.
- Let sit for 5-10 minutes.

2

Clean & Lift

- Blot the stain with a clean white cloth.
- Never rub.
- Repeat as necessary.

Tip

For best results treat stains immediately. Set-in stains can be more difficult to remove. Please note that certain stains may cause permanent discoloration even after cleaning.
