

## Bio Cleaner No Streak Cloth

Bio Cleaner No Streak is a non-woven fabric, unlike traditional towels, creating from BioFiber technology. This unique cloth cleans with WATER ONLY.

Run the cloth under water and **wring it out as tight as possible, until damp.**

Composition: 70% Polyester; 30% Nylon

Machine washable, Hang dry only, No fabric softener, Bleachable.

Made in Germany.

### APPLICATIONS:

**Glass:** windows, mirrors, windshield, tables, stove tops, as well as tablets, smart phones, eyeglasses and more.

**Stainless Steel:** refrigerators, dishwasher, oven door, and more.

**Countertops and Tiles:** non-porous surfaces such as granite, and marble.

**Wood:** laminate flooring, smooth surfaced furniture.
