

### Duster Crevice Tool

Two cleaning tools in one! The soft dusting brush is great for grabbing fine dust on hard surfaces, while the crevice tool gives you extended cleaning reach for tight spaces.

### Upholstery Tool

Picks up pet hair and large debris on mattresses, couches, curtains, and other delicate fabrics.

### Dusting Brush

Dust and clean a multitude of delicate surfaces. Great for use on fans, blinds, lampshades, and keyboards.

### Car & Detail Kit

Deep clean like a professional detailer, at home or in your car. Micro-sized tools tackle hard-to-reach areas. Includes flexible hose and a variety of micro-attachments for a variety of uses.

### MultiFLEX™ Under-Appliance Wand

This under-appliance wand features a flexible elbow to clean under, on top of, and behind appliances and hard-to-move furniture.

### Accessory Bag

Holds all the tools included with your Shark® Rocket® DuoClean® with MultiFLEX™ Technology for convenient storage.
