Specifications

Product Model	MAX Rated Power	Input Voltage	Dimensions	Weight
RS-090	15W	120V~ 60Hz	H7.25" x W4"	6.35lbs.

SAFETY INSTRUCTIONS

READ AND SAVE THESE INSTRUCTIONS

WARNING: Risk of Electric Shock and Fire Hazard. To reduce the risk of electrical shock, always unplug the unit from the electrical outlet before cleaning or replacing the light bulb. For safe use, plug only into exposed wall outlets where the device is ventilated and cannot make contact with bed coverings, curtains or other materials.

- Use this Himalayan Salt Crystal Lotus Flower Light for its intended use, as described in this manual.
- Never operate the unit if it has a damaged plug, if it is not working properly or if it has been dropped in water.
- For adult use only. This is not a toy and is not intended for use by children.
- For household use only; do not use outdoors.
- Do not exceed maximum bulb wattage (15W).
- Do not use with extension cords.
- Himalayan Salt Crystals have hygroscopic properties (absorbs moisture from the air). As a result do not store or use in excessively moist rooms (e.g. bathrooms with showers) or outside.
- Do not put the Himalayan Salt Crystal Lotus Flower Light on or near any home appliance; sweating of salt crystals may cause appliance damage. If the salt is damp, gently wipe it with a paper towel.
- This unit has a polarized plug (one blade is wider than the other) as a safety feature. If the plug does not fully fit into the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Do not attempt to defeat this safety feature.

Operating Instructions

1. Remove the plastic film covering the Salt Crystal. Handle with care, as the crystal is breakable, if dropped on a hard surface. **A**
2. Place the light on a level surface, making sure that the cord is within the groove on the base. **B**
3. Insert plug into any standard electrical outlet.
4. Turn the light on/off and adjust brightness of the bulb with the in-line dimmer switch. **C**

Replacing The Bulb

1. Unplug the unit.
2. With care, turn the salt crystal over and gently pull the light socket out of the base.
3. Replace the bulb with a 15W, C7/Candelabra base bulb.
4. Place the light socket back by inserting it into the base while pinching the socket spring.

Maintenance

Always unplug the unit before cleaning. The surface of the salt crystal may be cleaned with a damp sponge and dried with a paper towel. If you wish to store the light for a long period of time, place it in a plastic bag to protect against humidity.

1-YEAR WARRANTY - RS-090
