Our limited, 1-year warranty covers defects in materials and workmanship of your device as long as you purchased and used in the United States or Canada from an authorized retail partner or directly at DERMAFLASH.com. The limited warranty begins on the date of original purchase and expires one year later. The warranty period is not extended by any period even if replaced by the Manufacturer, during the warranty period. The DERMAPORE™ device, inclusive of charging base and handheld unit is warranted to be free from manufacturing defects for a period of 1-year. The warranty DOES NOT cover cosmetic deterioration caused by fair wear and tear, or damage caused by accident, misuse or neglect. Any attempt to open or take apart the device (or its accessories) will void the warranty. If you discover a defect and notify DERMAFLASH during the warranty period, DD KARMA will, at its discretion, replace the device free of charge. Claims under warranty must be supported by reasonable evidence that the date of the claim is within the warranty period. To validate your warranty, please keep your original purchase receipt together with these warranty conditions for the duration of the warranty period. To claim your warranty, you must contact DD KARMA at 1-888-821-1289 or [the.dermaflash.com/warranty/](https://www.dermaflash.com/warranty/), then select the option to make a warranty claim. You will be sent a Return Merchandise Authorization (RMA) number and full instructions from Customer Service on how to return your product. Shipping costs are nonrefundable. This undertaking is in addition to your statutory rights as a consumer and does not affect those rights in any way. Please call Customer Service at 1-888-821-1289 for questions.
