it COSMETICS®

Full Size 7-Piece Luxe Blurring Micro-Airbrush™ Wardrobe & Stand

To feel IT is to believe IT and once these ultra-luxe, ultra-plush, new Micro-Airbrush™ brushes touch your skin there is truly no turning back! New brush hair technology, exclusive to IT Cosmetics, utilizes an entirely new category of Micro-Airbrush™ hair, which means each product you use these with, from your eyeshadow, to your foundation, will lay down even smoother onto your skin, perfecting your skin's texture, and taking your makeup application and even more importantly your skin to a whole new level of flawless complexion perfection. IT girls you are going to literally melt with joy when you try these!"
