

CHANGING THE MICRO-PEDI NANO PRO MICRO-MINERAL ROLLER

Change the Micro-Pedi Nano Pro Micro-Mineral roller as needed for best result. Roller last for a few sessions depending on frequency of use and size of area being treated. Replace as needed.

Replacement Emjoi® Micro-Pedi Nano Pro Micro-Mineral rollers are available.

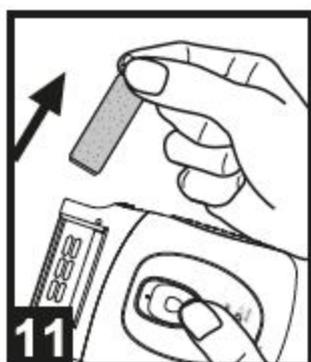

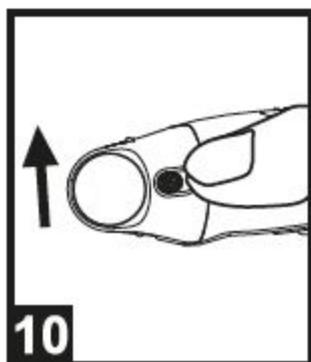

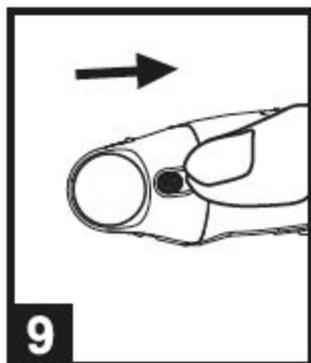

The Micro-Pedi Nano Pro Micro-Mineral roller contains fragile parts, please handle them with care. Please take extra care when replacing the Micro-Pedi Nano Pro Micro-Mineral roller.

Note: Micro-Pedi Nano Pro Micro-Mineral rollers that are broken or worn could cause damage to the skin.

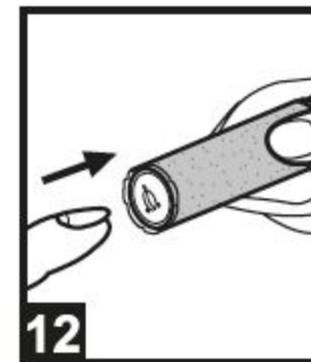

Replace the Emjoi® Micro-Pedi Nano Pro Micro-Mineral roller when you find any defects to the roller or when you find them less effective.

Make sure the unit is turned off before replacing the Micro-Pedi Nano Pro Micro-Mineral roller.

1. Pull down the release button, on the side of the unit, while the end cap is facing up and the Micro-Pedi Nano Pro Micro-Mineral roller will pop out (fig. 9 & 10).
2. After the Micro-Pedi Nano Pro Micro-Mineral roller pops out, remove it from the cylinder holding the end cap of the Micro-Pedi Nano Pro Micro-Mineral roller (fig. 11) and dispose of it.

3. Remove the Micro-Pedi Nano Pro Micro-Mineral roller from the replacement container (fig. 12), by pressing the bottom with your pointer finger and catching it in the palm of your opposite hand.

4. Place a new Micro-Pedi Nano Pro Micro-Mineral roller into the unit until it clicks into place. Be sure to insert the new Micro-Pedi Nano Pro Micro-Mineral roller into the unit with the thinner side going into the unit (fig. 13 & 14).

5. After placing a new Micro-Pedi Nano Pro Micro-Mineral roller into the unit check that it has been firmly installed with no signs of shaky or loose parts (fig. 15).
