

- 1 Apply **Baked Balance-n-Brighten Color Correcting Foundation** for an even, natural complexion.
- 2 Apply **Baked Blush-n-Brighten** in **Apricot Berry** across the apples of cheeks for a flush of color.
- 3 Sweep **Baked Gelato Swirl Illuminator** or **Gilded Honey** onto cheekbones, inner corners of the eyes, and cupid's bow of lips for a subtle glow.
- 4 Apply the **Baked Eye Shadow Duo Honey Butter** shade onto the lid and then blend the **Bordaux Buzz** shade into the crease and the outer corners of the eye.
- 5 Apply **Kaja Longwear Eyeliner** in **Gilded Bronze Kohl** on upper and lower lash line for extra definition.
- 6 Apply **Color Luster Lip Gloss** in **Honey Caramel** to lips for a pouty sophisticated look.

LAURA
GELLER
NEW YORK

It's beauty dripping with Gilded Honey. For the first time ever, we've packed the Gilded Honey highlighter you love with complementary products for your eyes, lips, and face. Sweep your skin with the sweetening luminosity of the Baked Gelato Swirl Illuminator. Blend the truffle tone of our Baked Eye Shadow Duo and Kajal Eyeliner into a smoky golden eye. Brush your cheekbones with the shimmering swirl of Baked Blush-n-Brighten. Finish the look with our Color Luster Lip Gloss.

HOW TO GET GILDED

Wet your shadow brush
for a metallic pop
of gold all over the lid

Accent under the brow bone for
an angelic glow

Use a small, tighter brush for
a bold gold metallic accent on cheeks,
and bridge of nose

Dab on lips over a nude lipstick
to create a frosted effect

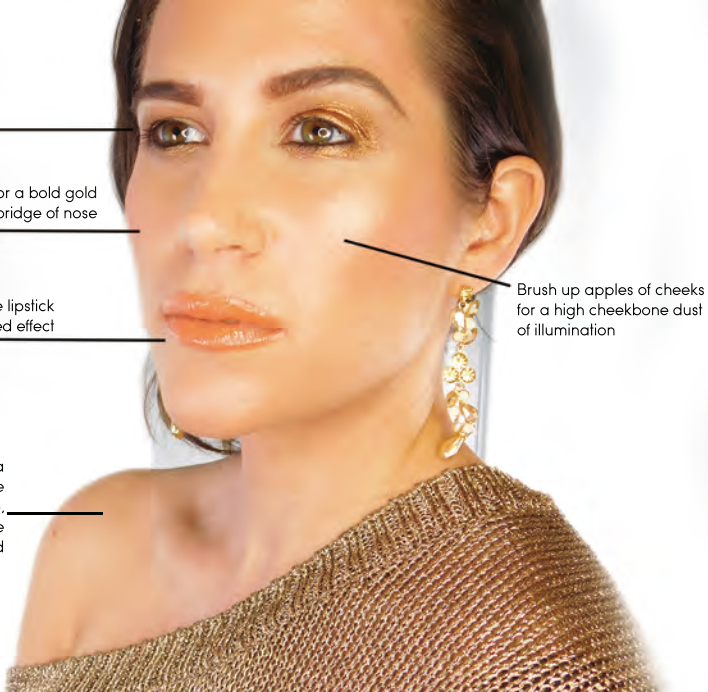

Wet your shadow brush
for a metallic pop
of gold all over the lid

Use a small, tighter brush for a bold gold
metallic accent on cheeks, and bridge of nose

Dab on lips over a nude lipstick
to create a frosted effect

Apply on the body with a
giant brush- dust on the
shoulders, wrist bones, décolleté,
to appear as if you're
dripping in gold

Brush up apples of cheeks
for a high cheekbone dust
of illumination
