

CHANDELIGHT GLOW

GET THE LOOK: Daytime Glow

Apply your favorite bareMinerals® Foundation*.

Using the eyeshadow end of the **Double-Ended Full Tapered Shadow & Blush Brush** sweep **Morning Glow Eyecolor** all over the lid for a shimmering ivory base. Also sweep the shade onto the brow bone and inner corner of the eye to highlight and add definition.

Using the same brush, apply **Nightfall Eyecolor** to the outer corner of the lower lid for a hint of sugared cocoa color.

Tightly line the upper lash line with **Lasting Line Long-Wearing Eyeliner in Sure Sable**.

Apply one coat of your favorite bareMinerals Mascara* to your upper and lower lashes.

Buff **Sweet Romance Blush** onto the cheek contour with the blush end of the **Double-Ended Full Tapered Shadow & Blush brush** for a wash of fresh rose.

Using the **Soft Glow Face Brush**, sweep **Chandelight Glow Illuminator in Luminous Gold** onto the cheekbone, brow bone, décolleté or anywhere you want to capture the light. Pat the Illuminator on to turn up the glow.

Finish your look with a swipe of **Marvelous Moxie Lipstick in Dim the Lights** for a rich satiny pink nude finish.
