

BECCA

ULTIMATE PERFECTION COMPLEXION 5-PIECE KIT:

Get The Look

1 Apply **First Light Priming Filter** all over the face to create a healthy-looking glowing canvas.

2 Apply one pump of **Ultimate Coverage Complexion Creme** for full coverage. Or try half a pump with moisturizer for light-to-medium coverage.

3 Swipe and warm **Under Eye Brightening Corrector** between fingertips and gently blend under the eye area to help correct the appearance of under-eye darkness.

4 Apply **Shimmering Skin Perfector Pressed Highlighter** to the high points of the face, such as cheekbones, down the bridge of the nose and cupid's bow.

5 **Champagne Cocktail Lip Gloss** – QVC (R) exclusive*

*BECCA Lip Gloss in Champagne Cocktail is exclusive to QVC until 5/1/18.
