

INSTRUCTIONS FOR USE

Before using your Emjoi® Micro-Pedi, please read this instruction manual carefully and completely.

Battery Installation

1. Remove the battery cover (bottom cap of the handle) by turning it 90 degrees to the left until it clicks into place (fig. 1) and then pull it down (fig. 2).
2. Insert 2 AA batteries in the battery compartment following the battery direction sign (fig. 3) as imprinted on the back of the handle.
3. Close the battery cover by turning it 90 degrees to the right (fig. 4) until the cover clicks into place and locks (fig.5).
