COUNTRY OF ORIGIN	The Netherlands

PLANT CARE INSTRUCTIONS	
PRODUCT INFO	M135602: de Jager 24 – Piece Crocosmia
THIS SELECTION CONTAINS	8 each of McKenzie, Lucifer and George Davidson
ON ARRIVAL	<ul style="list-style-type: none"> Open packaging immediately upon arrival to allow air to circulate around the corns. Ideally, plant your bulbs as soon as possible. If planting is delayed, store in a dark, cool and frost-free place until you are ready.
WHERE TO PLANT	PLANTING IN-GROUND (BED OR BORDER) <ul style="list-style-type: none"> Use a trowel to dig 4" deep holes. Set a bulb in the centre of each and cover with crumbled soil. Water well with a watering can fitted with a sprinkler. Space individual bulbs 6" apart. Plant bulbs in groups for maximum impact.
WATERING	These plants will grow best if watered regularly during the growing season, especially during hot, dry spells.
PRUNING / TRIMMING	Once their flowers fade, cut flower stalks off at the base.
FEEDING	No feeding required.
WINTER CARE INSTRUCTIONS	Once the leaves start to die back in autumn, cut to the ground with secateurs. Keep bulbs in the ground snug over winter by covering with a 2" deep layer of garden compost or composted bark.
CONTAINER SIZE + RECOMMENDED NUMBER OF PLANTS PER CONTAINER	These plants are best grown in the ground.
