PLANT CARE INSTRUCTIONS	
PRODUCT INFO	M138604 - de Jager Delightful Double Freesias x 30
THIS SELECTION CONTAINS	de Jager 30-Piece Double Freesias
ON ARRIVAL	<ul style="list-style-type: none"> Open packaging immediately upon arrival to allow air to circulate around the corms. Ideally, plant your bulbs as soon as possible. Avoid planting if the ground is frozen or waterlogged. If planting is delayed, store the bulbs in a dark, cool and frost-free place until you are ready.
WHERE TO PLANT	<p>PLANTING IN-GROUND (BED OR BORDER)</p> <ul style="list-style-type: none"> Dig small holes with a narrow trowel. Plant bulbs 2" deep, ensuring the pointy end is facing upwards. Fill the hole with soil and firm in gently. Water well with a watering can fitted with a sprinkler. Space individual bulbs 4" apart. <p>PLANTING IN CONTAINERS OR BASKETS</p> <ul style="list-style-type: none"> Pot bulbs directly into containers filled with good quality compost. Five evenly spaced bulbs are perfect for a 6" wide pot. Fill the pot with compost, leaving a 2" gap at the top. Make 2" deep holes and pop in a bulb, ensuring the pointy end is facing upwards. Cover with compost, firm into place and water well.
WATERING	These plants will grow best if watered regularly during the growing season, especially during hot, dry spells.
PRUNING / TRIMMING	Remove fading flowers to keep plants tidy– cut back entire flower stalks when the last flower has withered.
FEEDING	Once established, feed plants every two weeks over summer. Use a high potash fertiliser, following the instructions on the packaging.
WINTER CARE INSTRUCTIONS	Freesias are not fully hardy and will usually die over winter.
CONTAINER SIZE + RECOMMENDED NUMBER OF PLANTS PER CONTAINER	Five bulbs per 4" wide pot.
