Professionally arranged preserved roses in a luxury hat box

- Designed to stay in the box
- No arranging required
- Gift-ready packaging
- Made with top quality roses with uniform bloom and smooth petals
- Long-lasting with no water or maintenance

Stemmed Flowers

Preserved roses with adjustable stems that can be arranged in a vase

- Stems can be cut shorter depending on your vase
- Untie the bouquet to adjust the arrangement
- Option to purchase individual flowers or greenery stems
- Vase / gift ready

Important: Do not add water.

WHAT TO EXPECT

Each arrangement is handmade using real flowers, so small variations are normal.

A few petals or leaves may fall during shipping due to the natural structure of the flowers.

Packaging may feel tight — this is intentional to keep your delicate flowers safe in transit.
