INSTRUCTIONS

## WARNING:

- The lamp contains a rechargeable polymer battery. Do not expose the battery to a heat source or sunlight.
- Do not immerse the product into water or handle it with wet hands. Do not use it in wet conditions.
- Do not disassemble or modify the lamp in any way. If repairs are needed, always contact a qualified service technician.

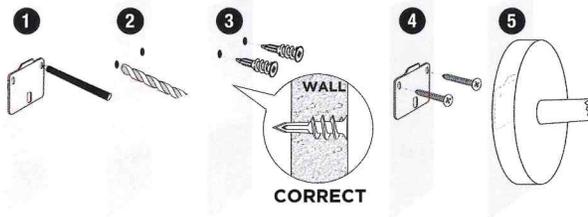

## CHARGING LAMP

1. Insert the USB-C end of the provided charging cable into the charging port located on the base of the lamp. Insert the other end into any USB power source (USB adapter, power bank, etc.).
2. The battery indicator light will light up red, indicating charging is in process.
3. It will take approximately 5-6 hours to fully charge your lamp.
4. Once the unit is fully charged, the battery indicator light will turn green.

## INSTALLATION

### Using provided bracket

Tools needed:  
Drill and  
Phillips head  
screwdriver

1. Remove the bracket from the back of the base. Mark holes on the wall with pencil. You can position it horizontally or vertically.
2. Using the same size drill bit as the anchor, drill 2 inches deep.
3. Insert the anchor until it is flush with the wall.
4. Place bracket on the wall and secure it to the wall with screws using a screwdriver.
5. Once bracket is installed, align the openings on bracket and base to attach the lamp to the wall.

## USAGE

1. Press the Power button on the base of the lamp to turn the light on (**Warm** light). See Diagram on right. Keep pressing to select **White** Light, **Daylight** light, **OFF** and back to **Warm** light.
2. To decrease the brightness of the light, press and hold the Power button. To increase the brightness, press and hold the Power button again.

## SPECIFICATIONS

**Battery:** rechargeable polymer battery, 1800mAh

**Light Modes:** Warm, White, Daylight, Dimmable

**Charging time:** 5-6 hours

**Working time:** up to 9-10 hours

**Charging port:** Type USB-C (with 1x 5ft/1.5m cable)

 This product uses a polymer battery. When it can no longer be used, it should be removed from the unit and recycled. The battery must not be incinerated or composted. The battery can be taken for disposal to any local retailer participating in the national recycling program sponsored by the RBRC (SEE RBRC seal). Call your local details, or the RBRC hotline at 1-800-820-8837 for the closest recycling center to you.
