

# Rechargeable RGB LED Night Light

## User Manual

### Model: CP-NL01RGB

#### Use as portable light

1. In AC mode, plug in, the light goes to motion mode in white color, press the side button, front panel light turns to Red - Green-Blue in each press. Long press (more than 3 seconds) the side button, and the light goes into fading mode. You also can control the light color/timer/brightness/working mode by remote control.

2. In DC mode (battery), press the side button, front panel light turns on at 100% brightness in white color, press it again, top flashlight turns on, press one more time the light will turn off. There is no RGB color and no motion sensor mode in DC battery mode. The remote control can't control the light in DC mode.

#### Use as motion sensor night light / no power failure

In darkness, front panel light will automatically light up to low brightness, it will change to high brightness when motion is detected, it will go back to low brightness in approximately  $30\pm 5s$  when there is no motion detected.

In the daytime or a bright area, the night light will be off automatically whether there is motion detected or not.

#### Use as emergency light / power failure light

When unit is plugged into outlet, front panel light will turn on automatically when there is a power outage. No motion sensor mode during power failure.

#### How to charge the night light ?

Plug into outlet and the unit will automatically charge when there is no power outage, it will stop charging automatically when it is fully charged.

Please note:if there is a wall switch or fixture switch, please keep that switch on, otherwise the unit will not charge.

## Specification

Dimension	118*64*30mm		
Weight	100g		
Input Voltage	AC120V 60Hz		
Battery	3.7V 500mAh		
Charging Time	12 hrs		
Time Delay	30s+-5s		
Detect Distance	2-4m		
Sensor Angle	90°		
Runtime	Top > 1.5 H	Front Panel	> 3 H
Brightness	Top > 120 LM	Front Panel	> 60 LM

Warning: Keep away from heat, do not store the LED lights in areas over 122 degrees F.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

—Consult the dealer or an experienced radio/TV technician for help.

## **Warranty: (6 Month limited)**

The manufacturer warrants this unit against defects in materials and workmanship on functional parts, for a period of 6 months from the original date of purchase. Your sales receipt showing the date of purchase of the product is your proof of purchase. Keep sales receipt in a safe place for future reference. This product is made with the highest quality materials and is warranted to be free from defects in materials and workmanship at the time of purchase. This limited warranty applies to products manufactured or distributed by the manufacturer, are delivered in the continental United States, and extends to the original purchaser, or gift recipient. This warranty becomes valid at the time of purchase and terminates either by the specified time frame listed above and or owner transfer. Any extended warranties (Warranties that cover above and beyond this manufacturer warranty) that are sold through a retailer or third party, are not directly correlated with this product's limited warranty, and may be redirected to said retailer or third party for coverage. This warranty extends through the manufacturer of the product and covers functional parts only. Cosmetics are not covered, unless unequivocally determined it is a workmanship defect. Shipping damage should be addressed with the shipping company, retailer or place of purchase, not the manufacturer unless the manufacturer was the direct shipper. The manufacturer's sole obligation under this warranty shall be limited to furnishing the original purchaser replacement parts for units deemed repairable by the supplier's warranty department. The purchaser is responsible for insurance coverage on any parts shipped or returned if desired. The purchaser is responsible to prepay any shipping charges (both ways) including, but not limited to taxes and duties. All exchanged parts and products replaced under this warranty will become the property of the manufacturer. The manufacturer reserves the right to change manufactures of replacement parts or products for use, in order to cover any existing warranty. The purchaser may be asked to provide the supplier with proof of purchase documents including the date of purchase. Any evidence of alteration, erasing or forgery of proof of purchase documents will be justified cause to void this limited warranty. Products, in which the serial number has been defaced or removed, are not eligible for warranty coverage. This warranty does not apply if the unit has been subject to negligence, fabrication, misuse, abuse or repairs, alteration by non-manufacturer authorized personnel, inappropriate installations or any case beyond the control of the manufacturer. Examples of warranty invalidation may also include, but are not limited to:

Use of lacquer or paints in (and around) the unit Electrical requirement deficiencies (see manual for specific electrical requirements)

Use with extension cords/timers/surge protectors/GFCI Outdoor Applications Normal wear /tear/weathering, Pet / Consumer accidents.

The manufacturer shall not be liable for any loss due to use (or misuse) of the unit or other incidental or consequential costs, expenses or damage without irrefutable foundations. Under no circumstances shall the manufacturer or any of its representatives be held liable for injury to any person or damage to any property, however arising.

Any implied warranty shall have duration equal of the applicable warranty stated above.

Specifications are subject to change without notice or obligation. This limited warranty gives the original purchaser specific legal rights. Other rights may vary from state to state. In order to utilize the warranty, you must have proof of purchase receipt.

Please email customer service with questions at [CUSTOMERSERVICE@1KMS.COM](mailto:CUSTOMERSERVICE@1KMS.COM) or call us at 800-752-5262 ext #1.

Keep your information in a safe place for reference. For warranty, please be prepared to provide the following information. Model number, copy of your receipt from purchase, a brief description of the issue(s) you are experiencing, your name and your mailing address.

You may be asked to return the damaged/defective product for inspection prior to warranty repair or replacement.
