

No More Vacuum Plugs Falling Out

Stop Hair Dryer Plugs Pulling Out

Eliminate Device Chargers Dropping

Improve Connection in Airports & Hotels

Loose Plugs Are Annoying!

Snug Plug is a safe and easy to use, engineered clip that improves electrical connection and eliminates the frustration of plugs falling out.

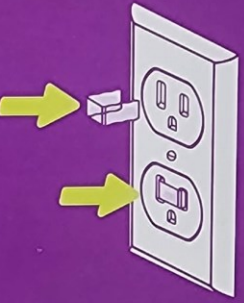

See instructions below:

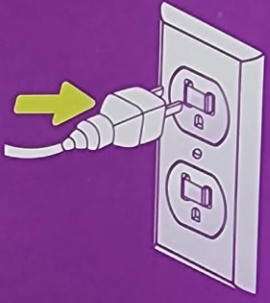

1 Find a loose plug problem.

2 Insert the snuglet.

3 Plug stays tightly connected!

NO MORE LOOSE PLUGS™

Snuglets are intended **ONLY** for outlets that are loose and not for every outlet in the house.
