

Instructions

Part list

2pc Front wheels

2pc Back wheels

1 Axle

2pc Axle elbow

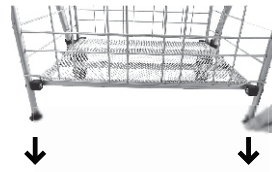

Push the front wheel into the front leg of the cart until it "clicks" into place.

WARNING:

ONCE YOU INSERT THE FRONT-WHEELS DO NOT PULL OFF BY FORCE THEY ARE MADE TO INSERT AND NOT COME OFF IF YOU TRY TO REMOVE THE FRONT WHEELS YOU WILL DAMAGE THE PRODUCT.

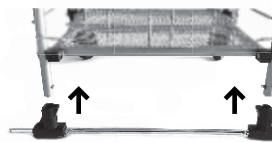

1

Please remove plastic Caps

Put the Axle Elbow on to the axle

Insert Axle Elbow into the back leg of the cart on both sides

2

Press the secure lock on the wheel.

Insert the wheel on to the axle and ensure that the wheel is locked in place.

CAUTION: *Make sure that the wheel is completely pushed into the axel and then release the spring loaded lock. When you release the lock try to pull the wheel out if the wheel comes out it has not been attached properly.*

Repeat on other side

3

Wheels are in place.

4

Care and Handling: Wipe with damp cloth.
