### Disclaimer

**Intended Use**  
This personal alarm is designed for personal safety and security purposes only. It should not be used for any other purpose.

**Noise Exposure**  
This alarm emits a sound at 130 decibels. Prolonged exposure to high decibel levels may cause hearing damage. Use caution and avoid activating the alarm in close proximity to ears.

**Battery Safety**  
Do not attempt to disassemble or modify the alarm.

**Operational Reliability**  
While this alarm is designed to provide a loud warning signal, it cannot guarantee safety or prevent harm in all situations. Always remain aware of your surroundings and take additional safety precautions as necessary.

**Maintenance**  
Regularly check the alarm for proper functioning. Keep the device dry and avoid exposure to extreme temperatures or moisture.

**Legal Compliance**  
Users are responsible for ensuring the use of this alarm complies with all applicable local, state, and federal laws and regulations.

### Warranty

Your personal alarm is backed by a 90-day limited warranty, starting from the date of purchase. This warranty covers any defects in material or workmanship under normal use. If you experience any issues with the product within this period, please contact our customer service team for assistance. We will repair or replace the defective product at our discretion. This warranty does not cover damages resulting from misuse, unauthorized repairs, or modifications. Your safety and satisfaction are our top priorities, and we are committed to ensuring you receive a high-quality product.

### How to Use the Light

2. Carabiner Clip — Fasten to belt loops or backpacks.
3. Wrist Strap — Wear securely on your wrist while on the move. Designed to be worn your way: everyday everywhere.

### Safety & Charging Info

- **Power Source:** Built-in rechargeable lithium-ion battery
- **Charging Instructions:**
  1. Use the included USB-C cable to connect the Bellbird 2.0 to any USB power source.
  2. While charging, the indicator light will glow red.
  3. Once fully charged, the indicator will turn green.
  4. A full charge provides up to 4 hours of light usage.
- **Safety Note:** Keep out of reach of children under 3 years old. Do not shine light directly into eyes. Charge regularly to ensure the unit is ready in case of emergency.

### Troubleshooting ?

**Light won't turn on?**

- Ensure the device is charged.
- Use a working USB-C cable and charging source.

**Button not responding?**

- Press firmly and hold briefly between clicks.
- Perform a full charge cycle before retrying.
