I Jacek Kalich,

Owner of Ceramika Kalich in Boleslawiec Poland guarantee that all items made in my factory are made with the same clay using the same methods. We have previously tested pieces from our factory for oven, microwave, and dishwasher testing in a 3rd party lab, Avomeen. All items that we have tested have passed. We certify that our new items H467386, H467387, H467477, H467478, H467479, H467480 are made with the same material and in the same process as the previous items that have passed the tests.
