

**EN (USA and CA) Warranty** Nespresso warrants this product against defects in materials and workmanship for a period of 1 year. The warranty period begins on the date of purchase or date of delivery (if later than the date of purchase) and Nespresso requires presentation of the original proof of purchase to ascertain the date. During the warranty period, Nespresso will either repair or replace any defective product at no charge to the owner. Replacement products or repaired parts will be warranted only for the unexpired portion of the original warranty or six months, whichever is greater. This limited warranty does not apply to any defect resulting from negligence, accident, misuse, or any other reason beyond Nespresso's reasonable control, including but not limited to: normal wear and tear, failure to follow the product instructions and User Manual, improper or inadequate maintenance, calcium deposits or descaling, connection to improper power supply, unauthorized product modification, fire, lightning, flood or other external causes. The use for commercial purposes could void this warranty. This warranty is valid only in the country of purchase or in such other countries where Nespresso sells or services the same model with identical technical specifications. Warranty service outside the country of purchase is limited to the terms and conditions of the corresponding warranty in the country of service. Should the cost of repairs or replacement not be covered by this warranty, Nespresso will advise the owner and the cost shall be charged to the owner. Except to the extent allowed by applicable law, the terms of this limited warranty do not exclude, restrict or modify the mandatory statutory rights applicable to the sale of this product and are in addition to those rights.
