Directions for Preparation

1. Prepare your dippers. We recommend your favorite bread, fresh veggies, and crisp apples.
2. Pick your heating method: Stove Top or Microwave.

Stove Top Method: Pour contents into heavy bottomed sauce pot or pan. Slowly (4-5 Minutes) bring fondue to a simmer over medium heat. Stir continuously using whisk or fork.

or

Microwave Method: Use a microwave safe dish. Place dish in microwave for 90 seconds. Stir well using a whisk or a fork for 10 seconds and then return to microwave. Cook an additional 30 seconds, stir until a smooth creamy consistency is achieved.

3. For best results, place pot on fondue stand, in a pan of hot water or transfer fondue to a crock pot on low setting.
