

## wine **Sisterhood**

Midnight Bloom Cabernet Sauvignon  
2022 california

Just as no flower in a garden stands alone, no woman's story is singular. With each glass, you're invited to connect with the garden of your own life, embracing the art of living fully, in all its colors. Like Cabernet Sauvignon, dark, bold, and layered with blackberry and spice, it's a tribute to strength, mystery, and midnight revelations.
