

Handheld Twist Function Citrus Press

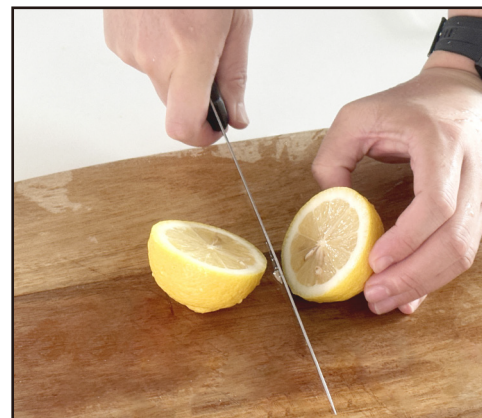

This lemon squeezer is designed with an ergonomically extended handle that provides a comfortable, effortless grip during use. A strong riveted joint ensures long-lasting stability without the risk of breaking apart. Precision-engineered grooves maximize juice extraction, helping you get every last drop with minimal effort. It offers exceptional durability for reliable everyday kitchen use.

CONTENTS:

1 Citrus Juicer – 10” L x 4” W

USE & CARE:

- Wash before first use.
- Dishwasher Safe
- FDA Safe
- BPA Free

1. Cut the citrus in half.

2. Place the fruit cut-side down into the squeezer and squeeze the handles together.

3. Twist while gently squeezing handles together to extract the maximum amount of juice.

4. Pour and enjoy the fresh juice.

WARNING:

- Do not place directly on open fire.
- Do not use with sharp objects.
